LET'S TALK TERROR

HORROR FILM REVIEWER

ABOUT THE BLOGGER

Celia is the quintessential HalloGeek: loves Halloween, and loves horror. She uses her professional expertise in journalism and non-professional love for all things dark and dreadful to review movies, books, events, music, and more. If it's spooky, Celia is reviewing it on [Let's Talk Terror](#).

ABOUT THE BLOG

[Let's Talk Terror](#) features "news, boos, and reviews for the average HalloGeek." It's a place fans can go to hear about the latest in horror and Halloween with honest, down to earth reviews from someone who didn't go to film school. [Let's Talk Terror](#) also has short- and long-form videos on YouTube and various social media channels.
